Dear Parents

September 2018 Newsletter

Welcome back! I hope that you all had a lovely holiday. The children have returned to school today smiling and looking very smart. School is almost back to normal after the flood. Thank you to Mr Spittle again for all his hard work over the holidays.

Staffing

We would like to welcome new staff to school.

Ms Rogers- Nursery Mrs Littleton- Year 1/2 Ms Holl- Year 3 /4 Ms Ball - Year 3 /4

Ms Slymm- Office Assistant

They have worked really hard throughout the holidays to get their classrooms looking beautiful. The list of staff and their roles is in the new Prospectus on the Learning Platform.

We would also like to make you aware of Mrs Warren White's role in school. She has been appointed to monitor and support our children with medical needs. This includes administering medication. If your child needs to take medication, you will be requested to complete a form to authorise this. We cannot accept any medication which has not been prescribed by a Doctor. The medication must have the child's name on it. There are very strict rules governing this.

Building work

There has been extensive building work over the summer in the Nursery and Reception classes and levelling the playground. This gives us more space for the children to play on and will eventually be a space for the children to have a Trim Trail. The next phase of building work will be due to start in January.

Clothing

Please make sure that all clothing is labelled clearly. It is amazing how many blue school jumpers I have collected already today.

Social Media

Parents have been sending requests to staff to be friends on Facebook. Please do not think that staff are being rude but they are not allowed to accept requests from parents or students. This is in the Social Media policy which is available on our website.

Kind Regards,

Davina Clacy
